## Do you have a will?

### Did you know?

< 9%

Less than 9% of First Nation peoples on reserve pass away with a will

- the INAC website has information about planning your estate
- your will differs if you live on- or off-reserve
- the *Indian Act* outlines what should be included in your will
- you can't gift your land on reserve to someone who is not a member of your First Nation
- you can change your will as often as you like
- writing a will doesn't have to be complicated or costly

### Why make a will?

to provide for your loved ones, your children and grandchildren

to clearly state who should receive your possessions

to leave instructions for end of life ceremonies

to decide who will get your home

to name who will take care of your children and dependents

to name who will take care of your estate

A will could provide peace of mind and clear direction about your wishes to your family and loved ones
